

# BAXI BURNALL

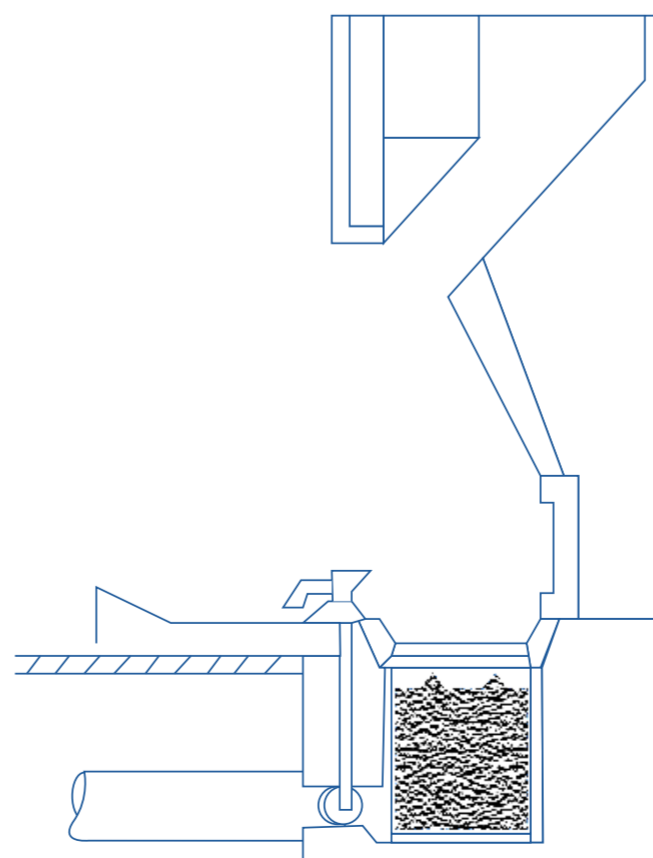

**Percy Doughty are the sole manufacturers of Baxi Burnall spares and appliances in the UK.**

The Baxi Burnall remains one of the most popular solid fuel fires in the UK and is the only underfloor draught system still in full production. The Burnall is still as popular as it was back in the 1960's due to its efficiencies and controllability.

We stock the full range of spares including complete appliances and spare parts to suit all Burnall solid fuel fires. They range from ashpans, front bars, bricks and grates to more unusual parts such as draft collectors. Should you require any technical help please contact our Baxi experts who will be happy to assist with any technical issues on **01204 868 550**.
